## Certificate inquiry & apply

### Agreement

# CA Certificate Subscriber Agreement

You must read this CA Certificate Subscriber Agreement ( "Agreement" ) before applying for online banking service and transaction. If you do not agree to the terms of this Agreement, do not apply for, or use the certificate.

1.The certificate is issued by TAIWAN-CA Inc. ( "TWCA" ) and you can use it for online banking service and transaction.

2. The right and obligation between TWCA and you are in accordance with TWCA Certification Practice Statement ( "CPS" ) which is approved by Taiwan Ministry of Economic Affairs and published at <http://www.twca.com.tw/Portal/save/save.html>.

3. When applying your certificate, you must provide the correct and valid identity information or government document. You are responsible for any compensation caused by the incorrect information you provided.

4. You have to protect the certificate and its corresponding private key, and you have been and will remain the only person processing your private key. You should inform TWCA immediately if you have any security concern of your certificate and its corresponding private key. You are responsible for any compensation and damage the legitimate rights and interests of TWCA.

5. You must read and understand the CPS and only apply to TWCA'.
